Chuka University Academic Programmes

The programmes are designed, developed and reviewed by Academic Departments in consultation with stakeholders and needs assessment surveys. They are verified and validated by Faculties, Board of Undergraduate Studies, and Board of Postgraduate Studies. The programmes are then approved by the Senate. All these processes are guided by the University Statutes, Universities regulations and standards supervised by the Commission for University Education

(CUE), Chuka University's Standard Operating Procedures, and professional bodies' requirements. The degree programmes are then forwarded for accreditation by the Commission for University Education. Currently, 20 certificate, 25 diploma, 65 bachelor's degree, 58 master's degree and 35 doctorate degree programmes are on offer. Applications are invited from suitably qualified self-sponsored students to enroll in the Chuka University academic programmes shown below. Admissions are: September, January and May of each year for full-time

students; December, April and August of each year for part-time/holiday-based/work-based students. Study modes are day, evening or week-end. Methods of teaching are in-person, distance e-learning or blended. Note: Any BA and BSc programme with C+ in two specialization subjects qualify to teach by taking 1-year Postgraduate Diploma in Education. Details of academic programmes on offer are given below. Chuka University is an equal opportunity provider.

Applications are invited from suitably qualified self-sponsored students to enroll in Chuka University. Admission timelines are: September, January and May of each year for full-time students; December, April and August of each year for part-time/holiday-based/work-based students. Study timings are day, evening or weekend.
